WORK EXPERIENCE

Logistics Analyst | GlobalPartners | Remote

April 2026 – Present

- Lead restructuring of the RightAngle interface with Texon to establish data consistency across systems
- Coordinate end-to-end butane blending operations across East Coast and Southern terminals, from RVP evaluation and volume forecasting through delivery scheduling and blend nominations
- Develop live dashboards pulling real-time terminal data and enabling test result recording
- Conduct financial analysis supporting evaluation of profit-sharing agreements

Senior Consultant | capSpire | Tulsa, OK

July 2023 – April 2026

- Offer innovative solutions to drive success in trading, risk management, logistics, and supply chain
- Model test scenarios, provide long term support, and serve as a Right-Angle expert for clients
- Travel alone weekly to client, developing relationships and guiding business solutions

Client: Cenovus Energy | Columbus, OH

November 2023 – April 2026

- Model business scenarios supporting both Canadian NGLs and the US Downstream marketing efforts
- Facilitated the completion of tasks that had been pending for years, ensuring project continuity
- Modeled business scenarios to support Canadian NGL operations and U.S. downstream marketing efforts

Commodity Optimization Intern | Williams Companies | Tulsa, OK

May 2022 – August 2022

- Built optimization models deciding which mode for plants to operate throughout the United States
- Interpret and understand historical ethane agreements dictating what constraints will affect our modeling
- Created a Power BI dashboard which dictates whether NGL's should be sent to Kansas or Houston

Carrier Sales Intern | Shamrock Trading Corp | Overland Park, KS

June 2021 – August 2021

- Negotiate loads with customers across North America and ensured that they reach their destination on time
- Managed a portfolio of over 100 loads while developing business with new clients
- Led all interns grossing over \$200k in self-generated sales while booking over 14 loads per day
- Won the Internship MVP award, given to the intern who provides the most work based on daily rankings

ACTIVITIES, SERVICE, & ORGANIZATIONS

Student Executive Board | Spears School Mentoring Program

January 2020 – May 2023
